 ATTACK OF THE SPOOKLINGS - PICARO GAMES
 BAGGAGE RECLAIM - TEAM PHOENIX

CHARACTER BACK-STORY:

"Born in London, now in Brighton, I've worked with audio since 1998, but only realised I could combine it with my love of video games in 2012.

5 years and as many games later, making noises for video games is proving a perfect fit! I am also on a quest to avenge the death of my father."
